

About CancerCare

CancerCare help local families affected by cancer and other life limiting conditions living in North Lancashire and South Cumbria.

Our wide range of free professional therapy services are designed to help individuals and their families come to terms with and manage the challenges of a serious health condition and include Counselling, Hypnotherapy, Alexander Technique, Aromatherapy Massage, Creative Art Therapies, and Support Groups. We also offer a dedicated Children and Young People's Service for children as young as three.

We rely on donations and fundraising to continue offering these services free of charge to local families in need of our help at the time they need it.

“The way I look at it, the NHS took care of the cancer but CancerCare looked after the rest of me and my family. The support they gave us was just as important.” - Sarah

The **CancerCare Bridge Tournament** is proud to have raised **over £59,300** since 1994, supporting CancerCare services for anyone facing cancer or another life limiting condition in North Lancashire and South Cumbria

Please help us to increase the value of your donation by 25% under the Gift Aid scheme. I am a UK taxpayer and would like CancerCare to claim Gift Aid on this donation, any previous donations in the last 4 years and on all donations hereafter until I notify them otherwise. I understand that if I pass less income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in that tax year, it is my responsibility to pay the difference.
